Signal is engineered for easy assembly. Carefully follow this procedure to prevent any damage.

Don't discard packaging until reading these instructions.

NOTE: This instruction sheet is intended for the entire Signal collection; model 8329 is shown for illustration.

Placement and Maintenance
Signal is designed for indoor use on level floors. Clean steel parts and wood veneer with a moist cloth.

Step 1
Unpack and Identify
Unpack and identify the components at left. Note that some components are shipped inside the cabinet. The assembly workspace should be a non-marring surface such as carpet. For missing hardware pieces, please contact BDI Customer Service at customerservice@bdiusa.com. For all other concerns, please contact your BDI Retailer.

Step 2
Remove **Cardboard Corner Protectors (J)** from packaging.

J

Step 3
Install Legs
With **Assembled Cabinet (C)** resting safely on its back side, install **Legs (E)** to cabinet bottom using **1/4-20 x 1" Machine Screw (D)** and tighten with **Hex Driver (B). Do not overtighten.**

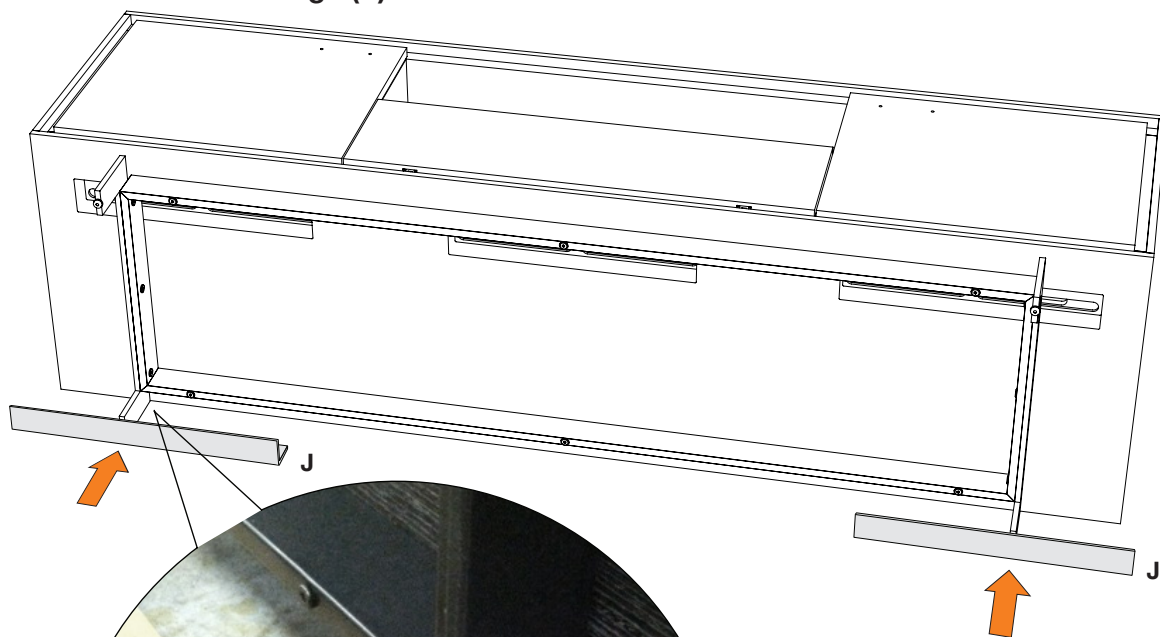

CAUTION: FOLLOW THIS STEP CAREFULLY TO AVOID DAMAGE TO YOUR FLOOR.
Step 4
**Position cabinet right side up.**
Place the **Cardboard Corner Protectors (J)** from packaging underneath the installed cabinet **Legs (E).** With the help of another person, carefully tip cabinet upright onto cabinet **Legs (E).** Slide **Cardboard Corner Protectors (J)** from underneath cabinet **Legs (E).**

Step 5
Install Pulls
Install **Pulls (G)** on the doors using the **M4 x 25mm Screws (F)** and the
**Phillips Screwdriver (A)** supplied.
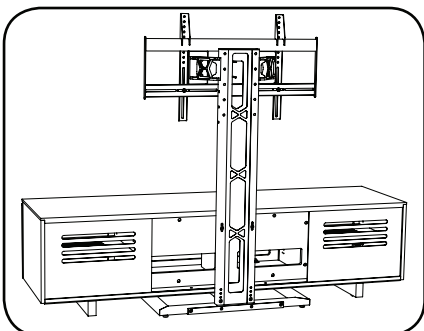

Step 6
Install Back Panels
Install both **Back Panels (I)** to the backside of the cabinet by inserting top
edge in upper channel, then tipping bottom edge forward and into lower
channel.
NOTE: Velcro straps are included as wire management for your
convenience.

The shelf pins located inside
the left and right cabinet space
may be repositioned, allowing
you to raise or lower each shelf
to the desired level.

Optional Flat Panel TV Mount

These BDI cabinets are compatible with ***BDI's Arena Flat-Panel TV
Mount #9972*** (sold separately), with the following features:
- accommodates most TVs up to 60", 175 lbs
