

A/V TOWER WITH SOLID WOOD FRONT FRAME

*T*his tall 4-shelf audio/video system is perfect for the bedroom or den. It is constructed with a real wood front frame in a Rich Caramel finish, Black scratch resistant powder-coated steel, and tinted tempered safety glass. It can accommodate most Flat Panel TVs up to 32" or 125 lbs., plus up to six audio/video components. An integrated CMS® Cable Management System hides unsightly wires and interconnect cables. The AT306 assembles in minutes with absolutely no tools required.
