

FUNC FLATSCREEN WH ST

Need an extra arm?

The Func Flatscreen WH ST is perfect when you need your screen to be flexible. It is very strong and reliable and can support screens up to 75 kg. It is engineered entirely out of solid steel. The Func Flatscreen WH ST can take your screen 70 centimeters from the wall and can tilt it approximately 15 degrees forward. Keeping your screen at arm's length.

New!

The adapterplate has a new design, which is easier and more user friendly. The new Func Flatscreen Unislide is included in the bracket.
